

November 10-11

Take the leap and raise funds for the emotional and mental support of families, pre and postnatally

To book your jump:

- Choose your jump zone from the list below,
- Contact them and make your booking (ask if there are any other MotherJumpers booked in – as you may want to jump with them, if possible),
- You pay nothing. If they try and charge you, contact me on alli.price@cope.org.au and I will sort it out,
- Take note of the corresponding target for that jump zone – this is what you need to raise to jump (although even more is better!),
- Contact me on the email above if you have any worries, questions or are not sure you'll make your fundraising target
- Have a ball!!
