To Book Your Jump:

- Choose your Drop Zone from the list above.
- Contact the Drop Zone and make your booking. Don't forget to ask if there are any other MotherJumpers booked in this Zone, as you may wish to jump with them and remember you will not be charged the full price for the jump.

- Please note the corresponding fundraising target for that Drop Zone, as this is what you need to raise in order to jump (but more would be even better!)
- Please contact Susan Kane at susan.kane@cope.org.au or (03) 9376 6321 should you require any additional information or are not sure you will make your fundraising target.
- And finally, have a ball!
